

Nitrile Solid Rubber Cord Material Datasheet

Product Code: CRD0204

Product Description

We can supply high-quality nitrile solid rubber cord for use in a wide variety of applications. Nitrile cord features a combination of good mechanical properties with excellent resistance. We can supply this product in sizes from 1mm to 30mm as standard. We can also produce bespoke sizes to your exact specifications, subject to minimum order quantities.

Technical Specification

Properties	Values
Compound	NBR
Colour	Black
Hardness (Shore A)	70°
Tensile Strength	12 MPa
Elongation at Break	300%
Compression Set (22hrs @ 100°C)	25%
Minimum Temperature	-20°C
Maximum Temperature	+80°C
