

Heat Resistant Matting Material Datasheet

Product Code: RC04124

Product Description

Our heat resistant mats provide unique heat resistance properties, which help to repel sparks and hot metal fragments. While also providing a comfortable, anti-fatigue surface. We recommend these particular heat resistant mats for use in workplaces, welding stations and any other area where equipment using heat is being operated.

Size Specifications

Lengths	Widths	Thickness
0.9m	0.6m	12.7mm
1m	0.9m	
1.5m	1.2m	
23m		

Technical Specification

Properties	Data
Product	Heat Resistant Matting
Wear Resistance	Wear resistant surface to Level 3
Slip Resistance	Slip resistance Level 2
Anti-Fatigue	Anti-fatigue protection to Level 3
Chemical Resistance	Chemical resistant
Flame Resistance	Flame retardant

*Fire classification Dfl-S1 tested according to DIN EN ISO 9239-1
