

## Heel Proof PVC Matting Material Datasheet

Product Code: RC04170

### Product Description

Our anti slip, heel proof matting is a highly durable as well as versatile safety matting product. It is suitable for use as both entrance and walkway matting in a variety of applications. Our heel matting features extra deep gripping ribs which we position closer together to ensure even the thinnest heel doesn't slip between the gaps.

### Size Specifications

Stock Sizes	Thickness	Weight (Kg/m <sup>2</sup> )
5m x 1.2m	14mm	10.5
10m x 0.6m	14mm	10.5
10m x 0.91m	14mm	10.5

### Technical Specification
