

Diamond Comfort Matting Material Datasheet

Product Code: RC04179

Product Description

Our diamond comfort matting combines excellent anti-fatigue properties with good wear resistance in order to create a highly versatile matting solution. The diamond pattern on the top of the matting provides superior anti-slip properties in a number of light to medium use industrial working environments.

Technical Specification

Specifications	Values
Wear Resistance	Wear resistant surface to Level 2
Anti-Fatigue	Anti-fatigue protection to Level 2
Slip Resistance	Slip resistance level 2
Cut to Size	Mats can be cut to bespoke sizes
Cut to Length	Mats can be cut to length
Dry Area	Suitable for use in heavy use areas

Product Testing	Test Specification
Fire Resistance	Class 2 according NFPA Safety Code 101
Slip Resistance	DIN51130 and BG-rule BGR181 - R10
Reach compliant	Free of toxic DOP and DMF
